# Introduction

Welcome Secret REP Agent. Reading Emergency Patrol HQ needs your help! You have been specially chosen to take part in an important mission. REP Agent, Lou Rolle, has gone missing, last seen in aisle 7 of a supermarket in Reading town centre. It is your job, if you wish to accept, to track her down and return her safely to REP HQ. Good Luck!

## How to play:

Throughout the pack there are tasks and challenges. Some of them are online. Links are provided to watch the online tasks.

We suggest you try one challenge a day for 2 weeks, but of course, how often you play is up to you. We would love to see the things that you create, so feel free to upload your results on social media and tag us and you can also email [christie@readingrep.com](mailto:christie@readingrep.com) to get your work posted on Reading Rep's social media sites.

# Challenge 1

**REP Agents! It's time to make your REP Agent badges before we get started on this mission!**

Your REP Agent SURNAME is the word next to the first letter of your surname from the chart below

<b>A - Enigma</b>	<b>J - Frost</b>	<b>S - Luther</b>
<b>B - Morse</b>	<b>K - Invisible</b>	<b>T - Columbo</b>
<b>C - Snoop</b>	<b>L - Marple</b>	<b>U - Bourne</b>
<b>D - Magnum</b>	<b>M - Powers</b>	<b>V - Poirot</b>
<b>E - Eavesdrop</b>	<b>N - Shadow</b>	<b>W - Danger</b>
<b>F - Undercover</b>	<b>O - Bloodhound</b>	<b>X - Hunt</b>
<b>G - Fletcher</b>	<b>P - Holmes</b>	<b>Y - Dynamo</b>
<b>H - Taggart</b>	<b>Q - Mole</b>	<b>Z - Wolf</b>
<b>I - Spook</b>	<b>R - Bond</b>	

Using the Badge template fill in your Spy Name and decide on your special skill. We all also wear special Spy clothes when we are on duty. Create your spy's costume from clothes and accessories around your house.

Take a picture of you wearing your spy badge and in your spy clothes or send us a video of you and introduce yourself to the rest of the team. Meet Secret Agent Matilda Poirot introducing herself here:

## **Challenge Ideas:**

Special Skills might be:

You can hear through walls.

You can read people's minds.

You can make objects move just by looking at them.

You can make a cup of tea simply by singing a song to a kettle.

# Challenge 2

**REP Agents! It's time to pack your Spy Sacks with all the gadgets you might need on this mission!**

Using items from around your house to invent one or more gadgets that a spy like you might need, and make a video of you, in your REP Agent uniform, explaining how they are used. How does your Secret Agent sound when he/she talks? Does he have a different voice to you?

Have a look at an example of a gadget made by REP Agent Justin Dynamo and his explanation of how he uses it here:

<https://youtu.be/R5rhadnkztY>

## Challenge Ideas:

Essential Spy Gadgets might involve:

Things found in kitchen drawers that transform into cameras or microphones to record suspicious activity e.g. a potato masher microphone.

Things found in the fridge or cupboard that if drunk or eaten can give you some kind of power e.g. an invisible shield, fingers that turn in to tools like a screwdriver, feet that can walk on water.

Things found in a garden shed that allow you to talk with other spies e.g. a telephone spade

Appliances such as a toaster or hair dryer that can stop a suspect from running away.

# Challenge 3

**REP Agents! It's time to get your Secret Agent transport up and running so you can get around if needed!**

Using a piece of furniture in your house, invent your own Secret Agent mode of transport. This could be a car, bike, boat, plane or helicopter. Make a video, in your REP Agent uniform, explaining how they are used. Don't forget how your REP Agent sounds when he/she talks!

Have a look at an example of Secret Agent transport belonging to REP Agent Simba Snoop and his explanation of how he uses it here:

<https://youtu.be/O6HG97g63y8>

## Challenge Ideas:

Spy Transport might involve:

A bathtub that transforms into a car when you stomp your feet three times and use the plug as a steering wheel.

A chair with wings that flies if you sit on it backwards and flap your arms.

A toilet that turns into a bicycle if you sit on it and flush it whilst steering it with a rolling pin.

A sofa that flies if you use blankets to give it wings and steer it with a cushion.

# Challenge 4

**REP Agents! News has leaked to the evil villain, Demona Sirius, that we are getting ourselves ready to find our friend, Lou Rolle. We must now make sure we have a disguise so she cannot spot us on our mission!**

Listen to what Demona has said here:

<https://youtu.be/pptzfydoJe4>

Using the template at the back of your pack, or drawing your own, design a mask that disguises you from Demona and send us a picture or a video of you using it. Think about the way you stand or move: Demona might spot who you are from your body language! Change the way you move or stand and send us a picture or video of this too, if you want!

## Challenge Ideas:

Disguises might include:

A mask with a beard or moustache

A mask with a colourful tattoo on its cheek

A walk that makes you look like you are very angry and bossy

A way of standing that makes you look very, very old

Mask template can be found  
at back of pack!

# Challenge 5

**REP Agents! Demona's nasty team of Germinators are now everywhere in the street which has made it too risky to go outside in the amazing REP Secret Agent transport we created. Instead, it's now time to activate our Spying Cameras from home so we can finish our mission and find Lou Rolle!**

Listen to what Demona has said here:

<https://youtu.be/tsyiOWixl3Q>

Find an object in your house that could be the way to magically see the outside world and look for Lou Rolle from the safety of your own home. In order to activate the Spy Camera, you will have to do something creative. Send us a photo or a video of you being creative next to your Spy Camera!

## **Challenge Ideas:**

Your Spy Camera could be a fruit bowl that lets you see the outside world once you have danced to a song to activate it.

Your Spy Camera could be a sink that lets you see the outside world once you have sung a song near it to activate it.

Your Spy Camera could be a washing machine that lets you see the outside world once you have said the magic words in a dramatic voice to it.

Your Spy Camera could be a photo frame that lets you see the outside world once you've played an instrument to activate it.

# Challenge 6

**REP Agents! We have some clues! Your Spy Cameras have shown Lou Rolle talking to lots of people just before she disappeared. They are ALL suspects. However, the signal on your spy cameras was very bad so we aren't sure who said what?**

Can you work out which character said what? Match up the character description to what you think the character said. Practice saying them out loud in a suitable character voice.

**A Grumpy Teenager**

**An Excited Dog**

**An Angry Bus Driver**

**A Lost Child**

**A Deaf Granny**

**A Bossy Policeman**

**A Tired Doctor**

**A Kind Shop Worker**

Move out of the road, you silly woman!

Eh?! What did you say?

Move along! Move along! Keep to the left, I said!

My feet are killing me: I need a day off.

Hello! Hello! I LOVE humans!!!

Not going to school is SO boring!

Have you seen my mummy?

You'll find it in aisle 7, my dear.

## Challenge Ideas:

You might:

Film yourself pretending to be all the characters. Say their lines in the best character voice you can do for each one!

Ask a family member to be one character and you be the other and say the lines to each other (can you imagine what they said to each other next?)

Draw a picture of what all these characters look like and label them.

Draw a map of Lou Rolle's walk to the supermarket and label where she met every one of these characters (if you can't remember, activate your Spy Cameras again and fire up those imaginations one more time!).

# Challenge ?

**REP Agents! REP HQ knows that one of these suspects definitely had something to do with the disappearance of REP Agent, Lou Rolle. It's up to you to figure this out! You decide who you think had something to do with Lou Rolle's disappearance and could be working for Demona Sirius and bring them to life using all your fantastic creative skills.**

## Challenge Ideas:

You might:

Make a statue of the character and take a picture of yourself. Think about how your character stands and your facial expression.

Create a costume from things around the house for one of the characters and take a picture of yourself in it.

Ask a family member to interview you as that character and tell them more about when you saw Lou Rolle. Think about how that character sounds and moves. You could record this!

Draw a picture of one of the characters and write in a speech bubble something else they might say as their character. Take a picture of your drawing and send it in!

# Challenge 8

**REP Agents! Demona's nasty team of Germinators are now growing in strength and restricting our movements even more. We need to fight her nastiness with as much positive energy as possible!**

Choose a favourite song and lead your family, or make a video and lead the rest of the REP secret agents, in a movement warm up. Any moves you like to any song you like. The more positive energy we get going between us the better!

## **Challenge Ideas:**

Imagine you are in the warm up circle at drama thinking of moves on the spot. Do this in the mirror or ask a family member to copy you to a song you love.

Pick a favourite song you also know the words to and sing as loud as you can as you make up your move on the spot.

Choose a song you love and create some fun dance moves to the chorus. Teach a family member the dance moves so you can dance together.

High energy moves need suitable clothing! Find some clothes that are colourful or sparkly or suited for exercise and film yourself moving in them sending positive energy to the rest of the REP Secret Agent team! What positive words can you shout out to your friends?

# Challenge 9

**REP Agents! Well done, your positive energy is slowly sucking the nastiness out of Demona Sirius and her Germinators. We think that once she is destroyed, we will find Lou Rolle. We have been told here at REP HQ that the only thing that will finally get rid of her once and for all is a Vac Scene.**

Listen to what REP HQ says here about making your Vac Scene:

<https://youtu.be/OJIKKZw5yks>

Get out your Hoover, hand-vac, carpet sweeper or dustpan and brush and create a scene where you use it to suck the last bit of nastiness out of Demona Sirius and her Germinators. Get rid of her for good!

## Challenge Ideas:

Film yourself telling us all about your Hoover or hand-vac etc and how you plan using it to destroy Demona. Do the buttons on it do different things like make her melt, will they trap her in the bag, will you tie her up in the cord and hand her over to the police?

Imagine you are meeting Demona and you have your Hoover or hand-vac there ready to get rid of her! What happens? Act this out alone or ask a family member to be Demona. Make sure you direct them in how you want them to act. Send us the video if you want!

Make a freeze frame of the moment Demona is stopped for good with your Hoover or hand-vac. Ask a family member to be Demona and tell them how you want them to stand and what their facial expression should be. Send the picture in for us to see!

# Challenge 10

**REP Agents! Well done, you have found Lou Rolle, and she thanks you for all the help getting rid of Demona and her Germinators. However, she can't remember a single thing that happened to her, but she knows you know exactly what happened!**

Listen to what Lou Rolle has to say here:

<https://youtu.be/NUjIhUJOI7E>

Let REP HQ know what happened when she disappeared from Aisle 7 that day in the supermarket. Where has she been all this time? YOU decide!

## Challenge Ideas:

Draw a storyboard of what happened to Lou Rolle. Each picture tells the story of her disappearance in order of what happened. Use the template attached. Email it to us so we can show her!

Write what happened to Lou Rolle as a story called "Lou Rolle: Wiped Out." Email it to us.

Make a suitable Spy Uniform for Lou Rolle out of toilet roll. Dress a family member in it. Be sure to reuse it after though!

Act out what happened to Lou Rolle and film it. Ask a family member to play parts if you need them to, or you play all the characters but have different costumes for each one!
